Getting ready: Amverton Cover will be the host club.

Amverton to host students

The fifth staging of the Institutions of Higher Education golf championship will be held at Amverton Cove Golf & Island Resort, Carey Island, Selangor from May 8-10.

A prize-giving lunch on the last day of the event will bring the curtain down.

The tournament is being sponsored by the Education Ministry, sanctioned by Malaysian Golf Association and managed by UUM National Golf Academy.

Participation is open to students of public and private universities, polytechnics and

community colleges. Its main objective is to promote the game of golf among undergraduates.

As in previous years, the event is expected to attract about 80 students with invitations to 20 high school students on the final day.

This will give them the much needed exposure and a platform for the Ministry to identify young talent.

The winners will represent Malaysia at the next World University Games in Gwangju, South Korea from July 3-14.
